

Privacy and Personal Data Management Policy

In compliance with that established in Chapter VI “**Personal Data Protection**” of the Federal Transparency and Access to Public Government Information Law, we should like to inform you of our privacy and personal data management policy.

- The data compiled from forms and other contact means found on the AICM website will not be diffused, distributed or commercialized. The personnel authorized by Mexico City’s International Airport will have access to the compiled data solely for informational purposes.
- The information obtained through forms and other contact means found on the AICM website will be used only to contact you in relation to your request or comment.
- Your request or comment may be included in the statistical reports designed to monitor AICM institutional progress. However, these reports will be merely statistical and will not include information allowing for individual identification.
- Your personal information will be provided to a third party only in accordance with the strict stipulations in Article 22 of the Federal Transparency and Access to Public Government Information Law.
- The AICM website has links to other websites. The AICM is not responsible for their privacy practices, or for the information contained in all of the external links to the AICM website.
- For further information please send an email to comentarios@aicm.com.mx
